

Dear Families,

As we welcome the start of another school year, I would like to introduce the San Diego Met High School Foundation and the work we do in our school community. The mission of the Foundation is to raise money for needed school programs, classroom materials, and campus improvement projects that are not funded by the school district.

Our fundraising goal for this school year is **\$25,000**. While an aggressive goal, it is our hope to raise enough money to ensure that none of our teachers or staff are spending money out of their own pockets to support their classrooms. We want to continue to provide grants to teachers for special projects as well as fund events like the annual Mentor Appreciation Luncheon.

We need your support! Please consider making a tax-deductible donation to our school's Foundation. Donations can be made via our website using a credit card or PayPal.

We are happy to accept cash and checks too! Checks should be made payable to "*San Diego Met High School Foundation*". Donations can be mailed, or hand delivered to the school office at:

San Diego Met High School Foundation

7250 Mesa College Dr, K-203
San Diego, CA 92111

The San Diego Met High School Foundation is a 501(c)(3) non-profit organization and your donations are tax-deductible. 100% of the money you donate supports teaching and learning at the Met.

Our next Foundation meeting is on **Wednesday, November 20th at 6pm**. We have one open board position we are looking to fill. Even if you aren't ready to commit to a board position, your attendance is always welcome at our bimonthly meetings. If you want to learn more, the minutes from the Foundation meetings, our bylaws, our financial statements, and other key information are posted on the above-mentioned website. Learn more and please join us.

If you have any questions or feedback, or want to get involved, please contact me.

Thank you, as always, for your support!
